

CLOUD DICTATION

08450 175517 (option 1) sales@oyez.co.uk www.oyezspeech.co.uk

Introducing a new way to access all of the advantages of digital dictation for one low, regular monthly fee

Oyez Cloud Speech gives you access to a future-proof digital dictation system without the need for a heavy investment upfront. Our innovative dictation package provides you with all of the features and functionality that you require but with no worries about escalating maintenance costs or the risks associated with changing suppliers.

Our user licences are as low as £7.99 per month; that's less than £1.85 per week for continual access to the very latest in dictation technology. Oyez Cloud Speech can be fully integrated to your schedule in only a few hours. It's a solution that won't break your budget but delivers smooth implementation and a real, measurable increase in productivity from day one.

CLOUD: GREATER FLEXIBILITY & EFFICIENCY

Using Cloud Speech offers your firm the competitive edge by removing the need for a significant financial investment upfront.

- ▶ Easy work sharing across all departments
- ▶ Access work from any location
- ▶ Dictate, transcribe, administer and report using any web-enabled device.

AUTHORS:

24/7

ACCESS

Cloud Speech allows you to easily compile, amend and transfer dictations from your desk, from home or when on the move.

- ▶ Revisions or additions are quick and easy
- ▶ Intelligent routing to choice of typists
- ▶ Prioritise dictations according to urgency
- ▶ Record with speech mike, digital pocket or smartphone.

SECURITY: YOUR FILES ARE SAFE

Cloud Speech gives you all of the robust security you would expect from the market leader in Cloud dictation technology.

- ▶ All files encrypted in real time
- ▶ Protected by secure HTTPS transmission
- ▶ Backed up by PAS, ISO & PCI accreditations
- ▶ Disaster recovery built-in

TYPISTS: MORE EFFICIENT WORK SHARING

Authors can prioritise dictations according to urgency and route them to one, or several, typists to ensure efficient completion.

- ▶ Status/Type of each file clearly identified
- ▶ Superior, high-definition sound quality
- ▶ Delivered dictations include required comments, amendments or attachments.

TECHNICAL: LEAVE IT UP TO US

Cloud Speech makes little demand on your internal infrastructure and includes all of the technical support you will require.

- ▶ Updates happen automatically
- ▶ Users work without disruption
- ▶ Includes on-going access to support desk

MANAGERS: ONE DASHBOARD, TOTAL CONTROL

System administrators can identify and release dictation bottlenecks quickly and easily add, remove or update users.

- ▶ Live updates & tracking of each dictation
- ▶ Wide range of reporting tools
- ▶ Flexible levels of system access

“ We are very satisfied with the choice we made. Moving to the cloud has vastly decreased the pressure on our internal infrastructure and users have found it very easy to operate. We have also benefited from significant cost savings. You cannot argue with the advantages of getting a much better systems for less money.

Richard French, Partner Quality Solicitors Burton & Co

Any concerns that users may find it hard to adapt to the new system were eliminated very quickly. Right from the start everyone loved it. It's made our dictation/transcription so much more efficient that we don't know how we got by without it. *Jess Raebitt, IT Officer Ellis-Fermor & Negus*

The flexibility that Cloud has offered us is unparalleled. Remote working is no longer a problem as the system is now available to all users 24/7. In addition, information can now be easily shared across all of our branches, whenever required. *Simon Bullough, IS Manager Attwaters Jamerson Hill*
