

## The Ideal Tool for Speech Recognition

Step into the  
Future of  
Digital Dictation

**Speech Mike Premium**

## Using Old Technology?

Are you using an older dictation device or considering a move to Speech Recognition? If so, you could benefit from moving up to the advantages of improved performance, functionality and sound. It's simply the best of its class.

This innovative tool is unprecedented in both sound quality and ease-of-use. It features:

- ✓ A free-floating studio quality microphone
- ✓ An optimised microphone grill structure
- ✓ A built-in noise reduction filter
- ✓ An antimicrobial surface
- ✓ The worlds very first motion sensor in a digital device.
- ✓ Backwards compatibility with existing microphones for easy plug-in and play.
